The complex.

Denia Beach is a building designed for enjoying every facet of nature.

Manicured gardens and landscaped areas are perfect for strolls among palms and plants, with outdoor furniture for further enjoyment. The paths pass by the refreshing sand pool for cooling down on hot summer days.

The complex is walled and has a private security gate for your privacy and peace of mind. There are several entrances, one of them just a stone's throw from the Almadraba beach.

The original façade features organic shapes creating unique terraces. They are all unique and individual, but have one thing in common, unrestricted views over the garden areas.

Quality and convenience.

The homes are beautifully finished with painstaking attention to detail, making them exclusive, comfortable homes. Apartments have high quality porcelain tile floors.

Welcoming imitation wood tiles on terraces. Air conditioning and heating. Double glazed windows protect homes from changing temperatures and improve energy efficiency.

All bedrooms are outward facing and give onto terraces, bathing them with natural sunlight. Enjoy stunning views even while you are lying in bed, often over the sea. Master bedrooms boast dressing rooms and en-suite bathrooms.

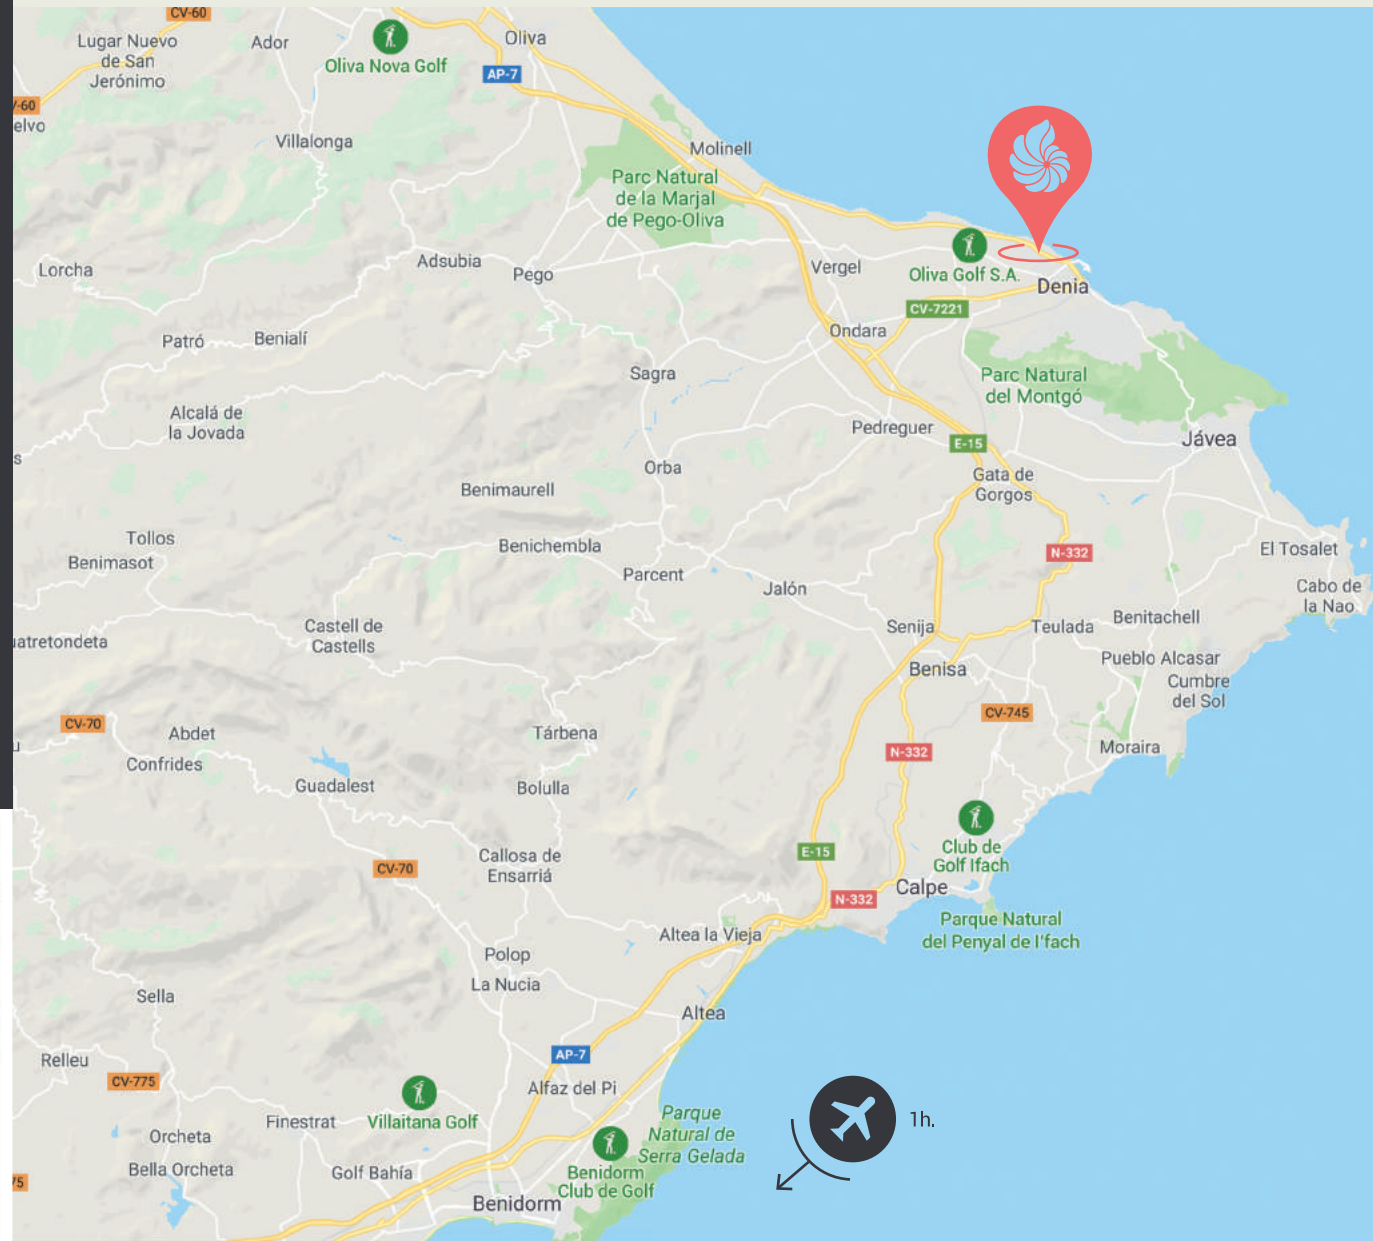

A stone's throw from the Almadraba beach and sheltered by the Montgó mountain, to the north of Alicante.

Easy access from the Carretera de Les Marines, with a bus service to Denia town centre. The stop is just a few metres away. Not to forget the long cycling lane that runs along the entire Carretera de Les Marines for delightful bike rides.

The complex is less than 500 metres from the supermarkets and restaurants of Els Poblets.

Golf lovers are just 15 minutes from the renowned, exclusive Oliva Nova Golf course and its beaches along the Carretera de Les Marines.
